DAVIDSVILLE, PA.

FROM TRAILDUST TO STARS...

In their trail-blazing times, the pioneers put their hopes, dreams, and their very souls into their endeavors. And so we must do. Today we have a new kind of frontier spirit—a new kind of determination. Ours is a far bolder venture than the pioneers ever knew. Generation follows generation, but the basis of life remains the same. Our love for adventure, challenge, and each other—the achievements of the past were dependent upon these. On our realization of this rest the hopes of the future.

SENIORS

Our devoted Senior Class officers are Vice President Bob Rullo, Treasurer Nancy Soliday, Secretary Lois Sleek and President Doug Kimmel.

Leaving high school has always been a momentous occasion, yet in this year of strife and indecision it becomes even more so. Only those of us who are strong in our convictions and brave enough to work hard so that we may never lose sight of our goal will get ahead. It has been said that school can be measured best by those who are taught in it.

Our class, the class of 1974, has already begun to prove their abilities and responsibilities for leadership and success. We have shown this by working toward a number of achieved goals. Some of these were our magazine campaign in which we earned $4,800; the sophomore Christmas Dance, "Christmas in the Park"; the production of our Junior Class Play, "Here Come the Brides" and our Senior Class Play, "To Blush Unseen." One of our finest achieved goals was our Junior-Senior Prom—"Moments Precious and Few" and this year's Valentine Dance. We owe a lot of our success to our deans—Mr. Shank, Mr. DeBiase, and Mr. Kirkwood, last but not least our dedicated and outstanding class officers. It is our wish to extend thanks to our beloved teachers for helping us achieve our goals and dreams. So at last, we have finally reached another milestone on the road ahead. We only hope we can face our new life with confidence, faith and tranquility.

DEPARTMENTS

"I'm glad they found the answers so quickly this time."

ERNEST W. TREXEL teaches Mathematics 8 here at C.T.A.H.S. He has a B.S. degree from California State College and also a Master of Education from the University of Pittsburgh. Mr. Trexel is in his glory when he's traveling or shooting. This is his twenty-eighth year in our school system.

We're all very proud of CURTIS J. GRENINGER. In addition to being a great Algebra II and Senior Mathematics teacher, he received the Pennsylvania Outstanding Teacher Award in 1970. Mr. Greninger received a B.S. degree from Penn State University. He serves as the Head of the Mathematics Department here at C.T.A.H.S., where he has spent thirty-one years. Mr. Greninger enjoys all sports and vacationing in New Jersey.

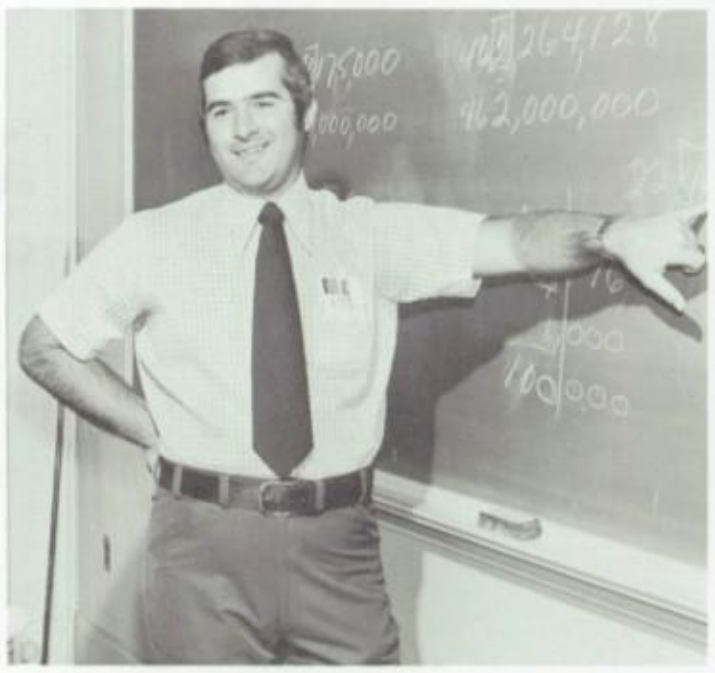
"Zelda and Elmer seem to be having trouble."

Geometry and General Math 1 and 11 just wouldn't be the same without MICHAEL J. DE BIASE. Mr. DeBiase is our Head Jr. High Football Coach and Assistant Baseball Coach. He also serves as Vice-President of the PSEA. Receiving a B.S. degree from Shippensburg State College led Mr. DeBiase to five years here at the reservation. Sports and camping are simply fantastic according to him.

"Take out the chew, Snyder."

"No way can she fit the rest of that problem on the board."

RONALD GOISOVICH or better known as "Gois," the friend to us all, teaches Special Education and Driver Education Behind the Wheel. He attended George Washington University and received a B.S. degree from Indiana University of Pennsylvania. His graduate work was done at Penn State. Mr. Goisovich is an Assistant Varsity Football Coach. He's naturally interested in all sports. This is Mr. Goisovich's fifth year here at the reservation.



Math Department

The seventh Grade Math teacher, FRANK SVARNEY, enjoys collecting coins along with being the Coin Club Advisor. Mr. Svarney graduated from St. Francis College with a B.S. degree. His seventeen years here at C.T.A.H.S. have proven productive.

"Whoever gets this question right receives one candy bar and half of a ham, tomato, and mayonnaise sandwich."

SALLIE COUGHENOUR graduated from Penn State University with a B.S. degree. She also attended the University of Pittsburgh. She teaches Algebra I and General Math I. During her four years here she became Mrs. Thomas Coughenour. Her spare time is spent fishing, sewing, and knitting.

"To put it mildly, Algebra is a horse of a different color."

ACTIVITIES

"No Ralph, centerfolds aren't allowed." Our efficient Editor is Vanessa Risch and her Assistant is Ralph Miller.

Here we have the "Big Four"—as far as yearbook work is concerned, anyway. Our valuable advisors are Miss Will, Mrs. Statler, and Mr. Kososki, but the missing #4 is Mr. Volk.

Connumach Staffs

The "Big Chiefs" of the CONNUMACH are our Editors. Departments: Sue Marisa, Copy: Sally Smith, Editor: Vanessa Risch, Asst. Editor: Ralph Miller, Art: Terri Berkebile, Typing: Donna Podrasky, Classes: Nancy Soliday, Activities: John Spory, and Sports: Jim Stahl.

Business is their business — these gals budget and take care of our money. Kathy McClelland, Lynn Harshberger, Sharon O'Connor, Darlene Coughenour, Julia Palinkas, and Valerie Spangler. (Row 2) Barb Lehman, Diane Klimek, Pam Graham, Sue D. Keim, Evelyn Donitzen and Dorene Thomas.

The Art Staff's originality and creativity are really an asset to the overall effect of our yearbook. These three talented people are Ruth Hamilton, Editor: Terri Berkebile, and Marg Bettle.

For each and every caption under all our pictures, we have the Copy Staff to thank. Diana Greig, Kathy Rayman, Jan Anderson, Shelly Jenkins, Editor: Sally Smith, Cindy Livingston, Brenda Kuhns, Marci Cassidy and Lois Sleek.

Classes Staff has the job of matching the right names with the faces. Pam Blough, Judy Spory, Editor: Nancy Soliday, Virginia Charnesky, Brenda Bowman, Joann Blough. (Row 2) Terri Reinholtz, and Cindy Haines.

Getting good shots of things right as they're happening is what the Activities Staff is kept busy at. (Seated) Vicki Peterson, Debbie Fisher, and Kim Williams. (Standing) Lee Stevens, Editor: John Spory, Sharon Honkus, Stan Nosal, and Nancy Bereschok.

These nimble-fingered gals make up the Typing Staff. (Seated) Sue D. Keim, Coleen Kaltenbaugh, Cindy Gomilar, and Editor: Donna Podrasky.

Contownian Staffs

Sitting down on the job, huh? Probably the first time our Editor, Frank Suckovitch and Advisor, Mr. Paxton have sat down all day. They get everything together to make our paper the best.

How would the staff ever function without the Editors to scream about deadlines and proofread . . . proofread . . . proofread!!?

For those of you who don't like Sports, Editorials, or News—turn to our page, please. We know you'll love our Features. From left—Jamie Feathers, Lynne Goddard, Editor Kathy Rayman and Nancy Cottom.

Two dumb blonds on the same staff? Not really—Trina Harmon and Exchange Editor Sandie Snyder make sure our Contownians get mailed out on time.

Top Honors and hats off to Jenny Hemminger and Art Editor Terri Berkebile for the talent and imagination they put into each one of our issues.

Look industrious, don't they? These five comprise our News Staff and get all the scoops for the page. From left: Nancy Custer, John Spory, Editor: Marci Cassidy, Coleen Kaltenbaugh and Kay Miller.

Sorry guys—being on the Sports Staff doesn't qualify her for football—or your brutality. From left: Ralph Miller, Editor Jeff Flick, Karen Thomas, Neil Mishler, and Jim Stahl.

That's right, Michele, hand out the erasers . . . Not really, our typists are indispensable and irreplaceable. From left: Editor—Michele Czuplak, Sharon Honkus, Sandy Maldet, Kim Williams, Joann Blough and Kathy McClellend.

Jr. High Coaches

How could you not like football practice with these three smiling gentlemen to coach you on to victory — Scott Cable, Mike DeBiase, and Art Williams?

The Editors and the Staff of the 1974 "Connumach" feel that these people deserve outstanding recognition since they are very special to us all.

Miss Elizabeth J. Will is one of the finest persons Conemaugh Township will ever see. She has devoted many long and hard hours to help the formation of this and many other yearbooks.

Those of us who were privileged enough to work by her side found out what kind of a great person she really is. Her friendship and dedication was an inspiration to all. We, The Senior Class, feel profound gratitude to Miss Will for her unselfish and kind acts that helped produce the 1974 "Connumach".

Robert Kelly

Curtis Greninger

Ernest Trexel

These three teachers have watched our school form from its seed and grow until now. They have witnessed the downfalls of this school but more important they have watched this school gain recognition and respect; they all have outstanding characteristics which are known to all. We will never forget Mr. Greningers' "Elmer and Zelda", or Mr. Kelleys' "Zub-Zub", or Mr. Trexels' "World War II" stories, and their fine examples that urge us on to the halls of better learning. This school will truly miss these wonderful teachers. We hope our future teachers will live up to these three great teacher talents.

From the Class of 1974
In Memory of Chris Stevens

We all have a heartache that nothing can heal
And nothing can hide the loss that we feel.
But just knowing you in these short happy days,
We know that God blessed us in thousands of ways.
You reached out your hand whene'ver we were down,
And only had time to smile, not to frown.
But still we can hold to the memories of you,
And all the good times that we have gone through.
And though through death some ties will sever
We'll hold you in our hearts forever.
